MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Secretary of Defense,
16 November 1978

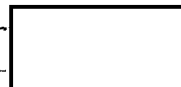

10. I discussed Title II and my concept of getting a more sensible outline. He expressed his feeling that the time was pretty late for the charters with respect to the House. I said Huddleston's and Miller's reservations on the changes in the draft Title II would indicate to me they weren't very conscious of the wide difference between themselves and the House on how much regulation there could be. I continued to express my hope, though, that we would get a charter.
